Track progress, schedule updates, messaging, events, store cart, and referrals from a student account.

Table of Contents

- [Student Dashboard](#)
- [Schedule Updates](#)
- [Upcoming Seminars](#)
- [Gear for Next Sash + Cart](#)
- [Message Instructor](#)
- [Referral Program](#)
- [Events](#)
- [Community Announcements](#)
- [Store + Cart](#)
- [Public School Site Pages](#)

Not Included Yet

- Direct payment gateway checkout integrations are intentionally excluded until gateway setup is complete.

Feature: Student Dashboard

What it does: See progress, next sash, and key actions.

Why it matters: Keeps students focused on next milestones.

Where: Dashboard `/dashboard/`

Steps:

1. Log in and open Dashboard.
2. Review progress and next test indicators.
3. Use actions (tuition/referral/message).

Expected result: Student dashboard renders (not owner dashboard).

Troubleshooting:

- If owner dashboard appears, role is not STUDENT.
- If data missing, seed playbook data.

Feature: Community Announcements

What it does: Read school and scoped announcements.

Why it matters: Keeps students informed about updates.

Where: Business > Community `/community/`

Steps:

1. Open Community.
2. Review recent announcements.
3. Confirm scoped updates visibility.

Expected result: Published announcements render for eligible student.

Troubleshooting:

- Unpublished posts are intentionally hidden.
- Box-targeted content depends on box membership.

Feature: Store + Cart

What it does: Browse gear/products and manage cart.

Why it matters: Lets students prepare required equipment.

Where: Business > Store `/store/`

Steps:

1. Open Store page.
2. Open a product detail.
3. Manage cart items in `/store/cart/`.

Expected result: Store and cart pages render with session-scoped cart counts.

Troubleshooting:

- If cart empty, add item first.
- Check school context/session if items disappear.

Feature: Public School Site Pages

What it does: Access public-facing home, schedule, and contact pages.

Why it matters: Lets students verify public information and contact links.

Where: (public) /site/demo-doj*/* /site/demo-doj/

Steps:

1. Open public site home.
2. Review schedule and contact pages.
3. Use public CTA links.

Expected result: Public pages render without requiring owner role.

Troubleshooting:

- If 404, verify school slug exists.
- If stale content, owner may need to publish draft.
